

FIBERLINE

BRAND STRATEGY

*Sanitary Napkins
Panty Liners*

CORE CUSTOMER SEGMENTATION

Behavior

- Considers napkins/panty-liners as essential
- Will always have napkins on hand or ready
- Buys based on affordability and quality (Value for money)
- Purchases in the supermarket or where it is most convenient
- Buys because mother/family/trusted friend recommended

VALS (Values Attitudes & Lifestyles)

- Strives to improve her life through hard work
- She saves money from her salary and sets aside some amount to send to her relatives in the provinces. She can only splurge on nice food & movies sometimes.
- Wishes she had more luck but also believes her luck will change soon, for now she lives in the moment.
- Friends are important, and it defines her, boosts her confidence, has a clique. She depends on them for emotional, social support.
- Does her best to be consistent at work despite the heavy load. She is inspired by others and tries to emulate them.

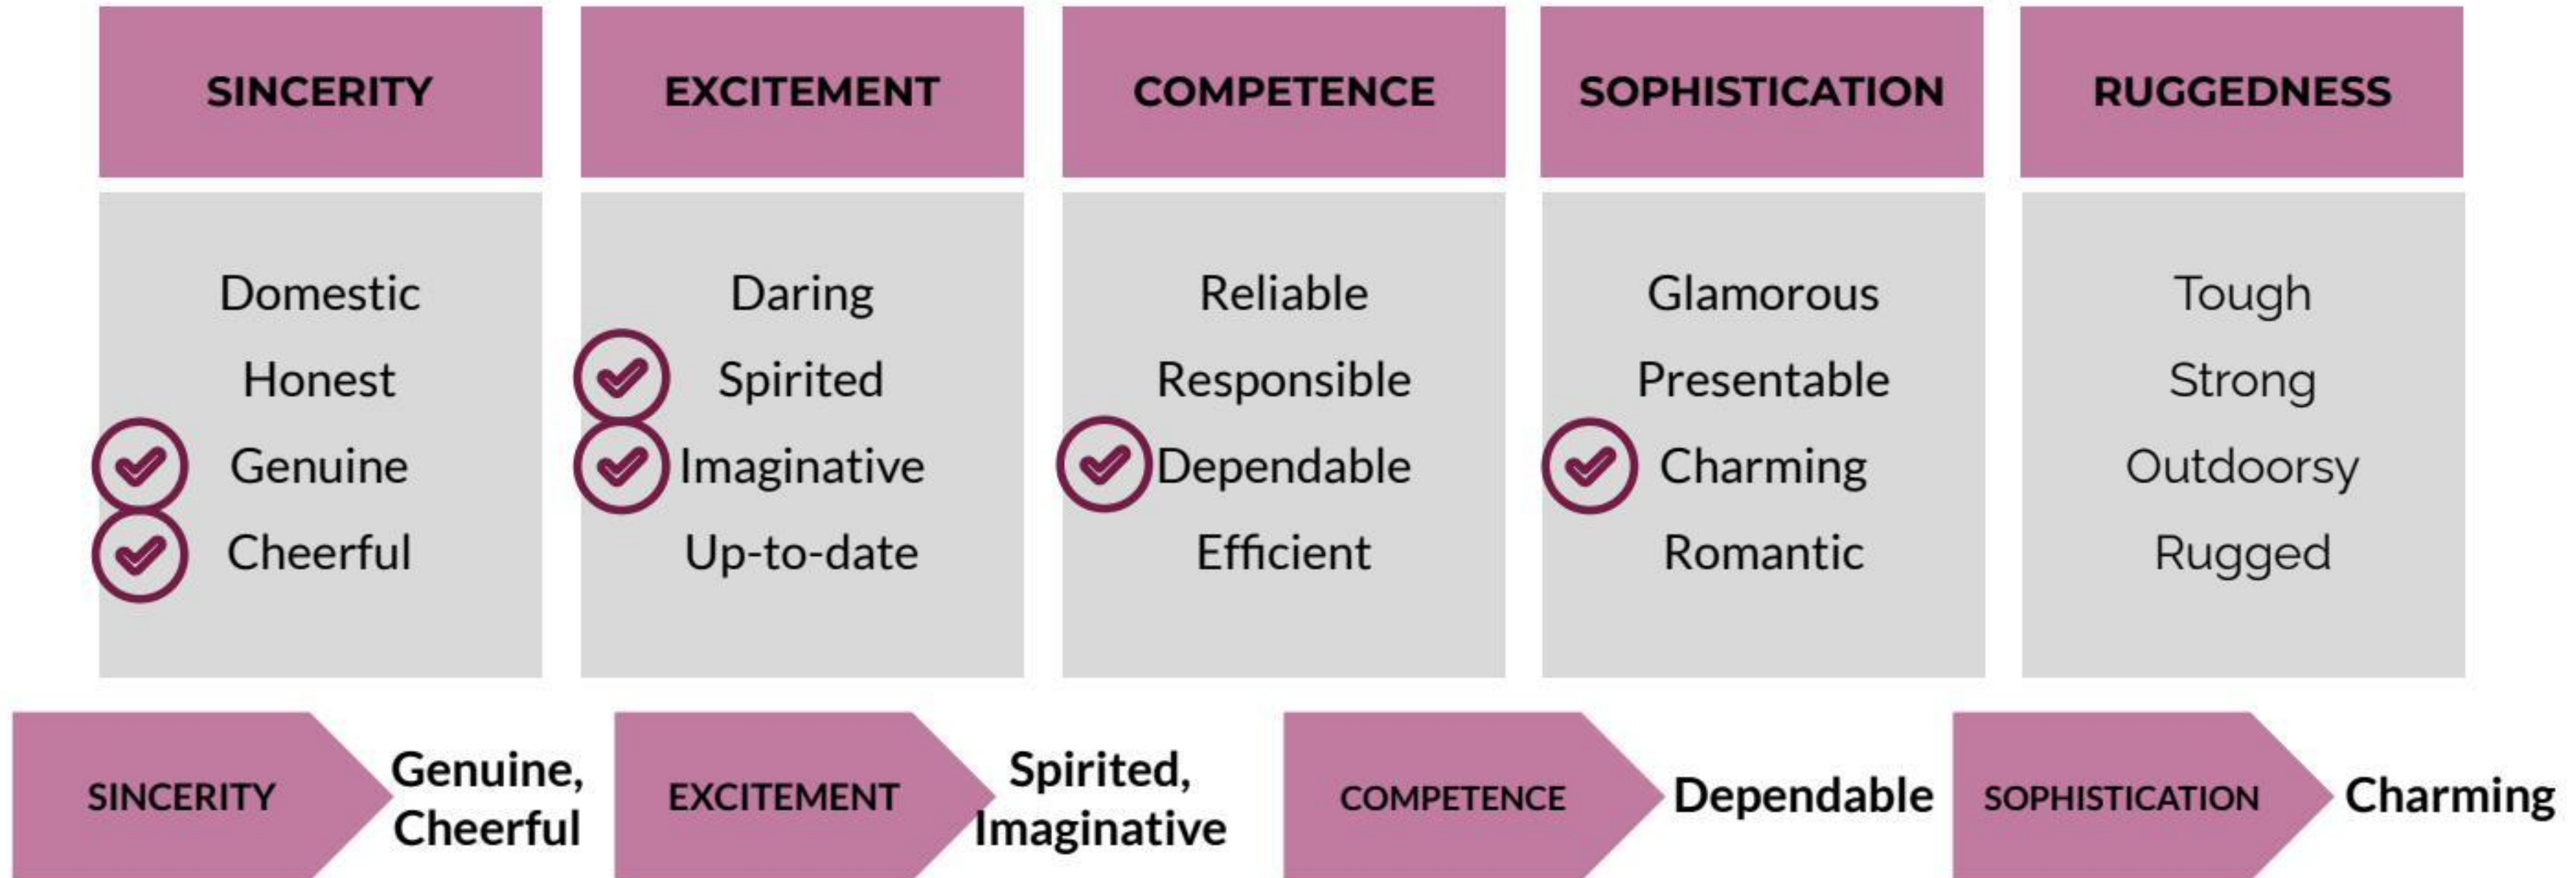

Needs and Motivations

- She is unsure about how to realize her dreams but has the desire to fulfill them.
- She is discovering who she is, so for now, she is open to trying/learning different things.
- Because she is dependent on her friends/clique, she wonders how she would do without them.
- She wishes she knew if she is doing well or is on the right path to realizing her dreams.
- She wishes she had less doubt about herself.

Demographics

- Female, 18-30 years old
- Employed in the service industry just above minimum wage.
- Lives in a boarding house in the city together with her workmates.

BRAND PERSONALITY

Psychologist and Stanford professor Jennifer Aaker has conducted studies via research on Dimensions of Brand Personality, and her studies have found five core dimensions that play a role in a brand's personality:

BRAND PILLARS GUIDE

PURPOSE

What is your purpose beyond making money? What gets you out of bed in the morning? What motivates your employees?

DIFFERENCE

What do you do or deliver that your competition doesn't? What is your unique personality? Why should your customers choose you over others?

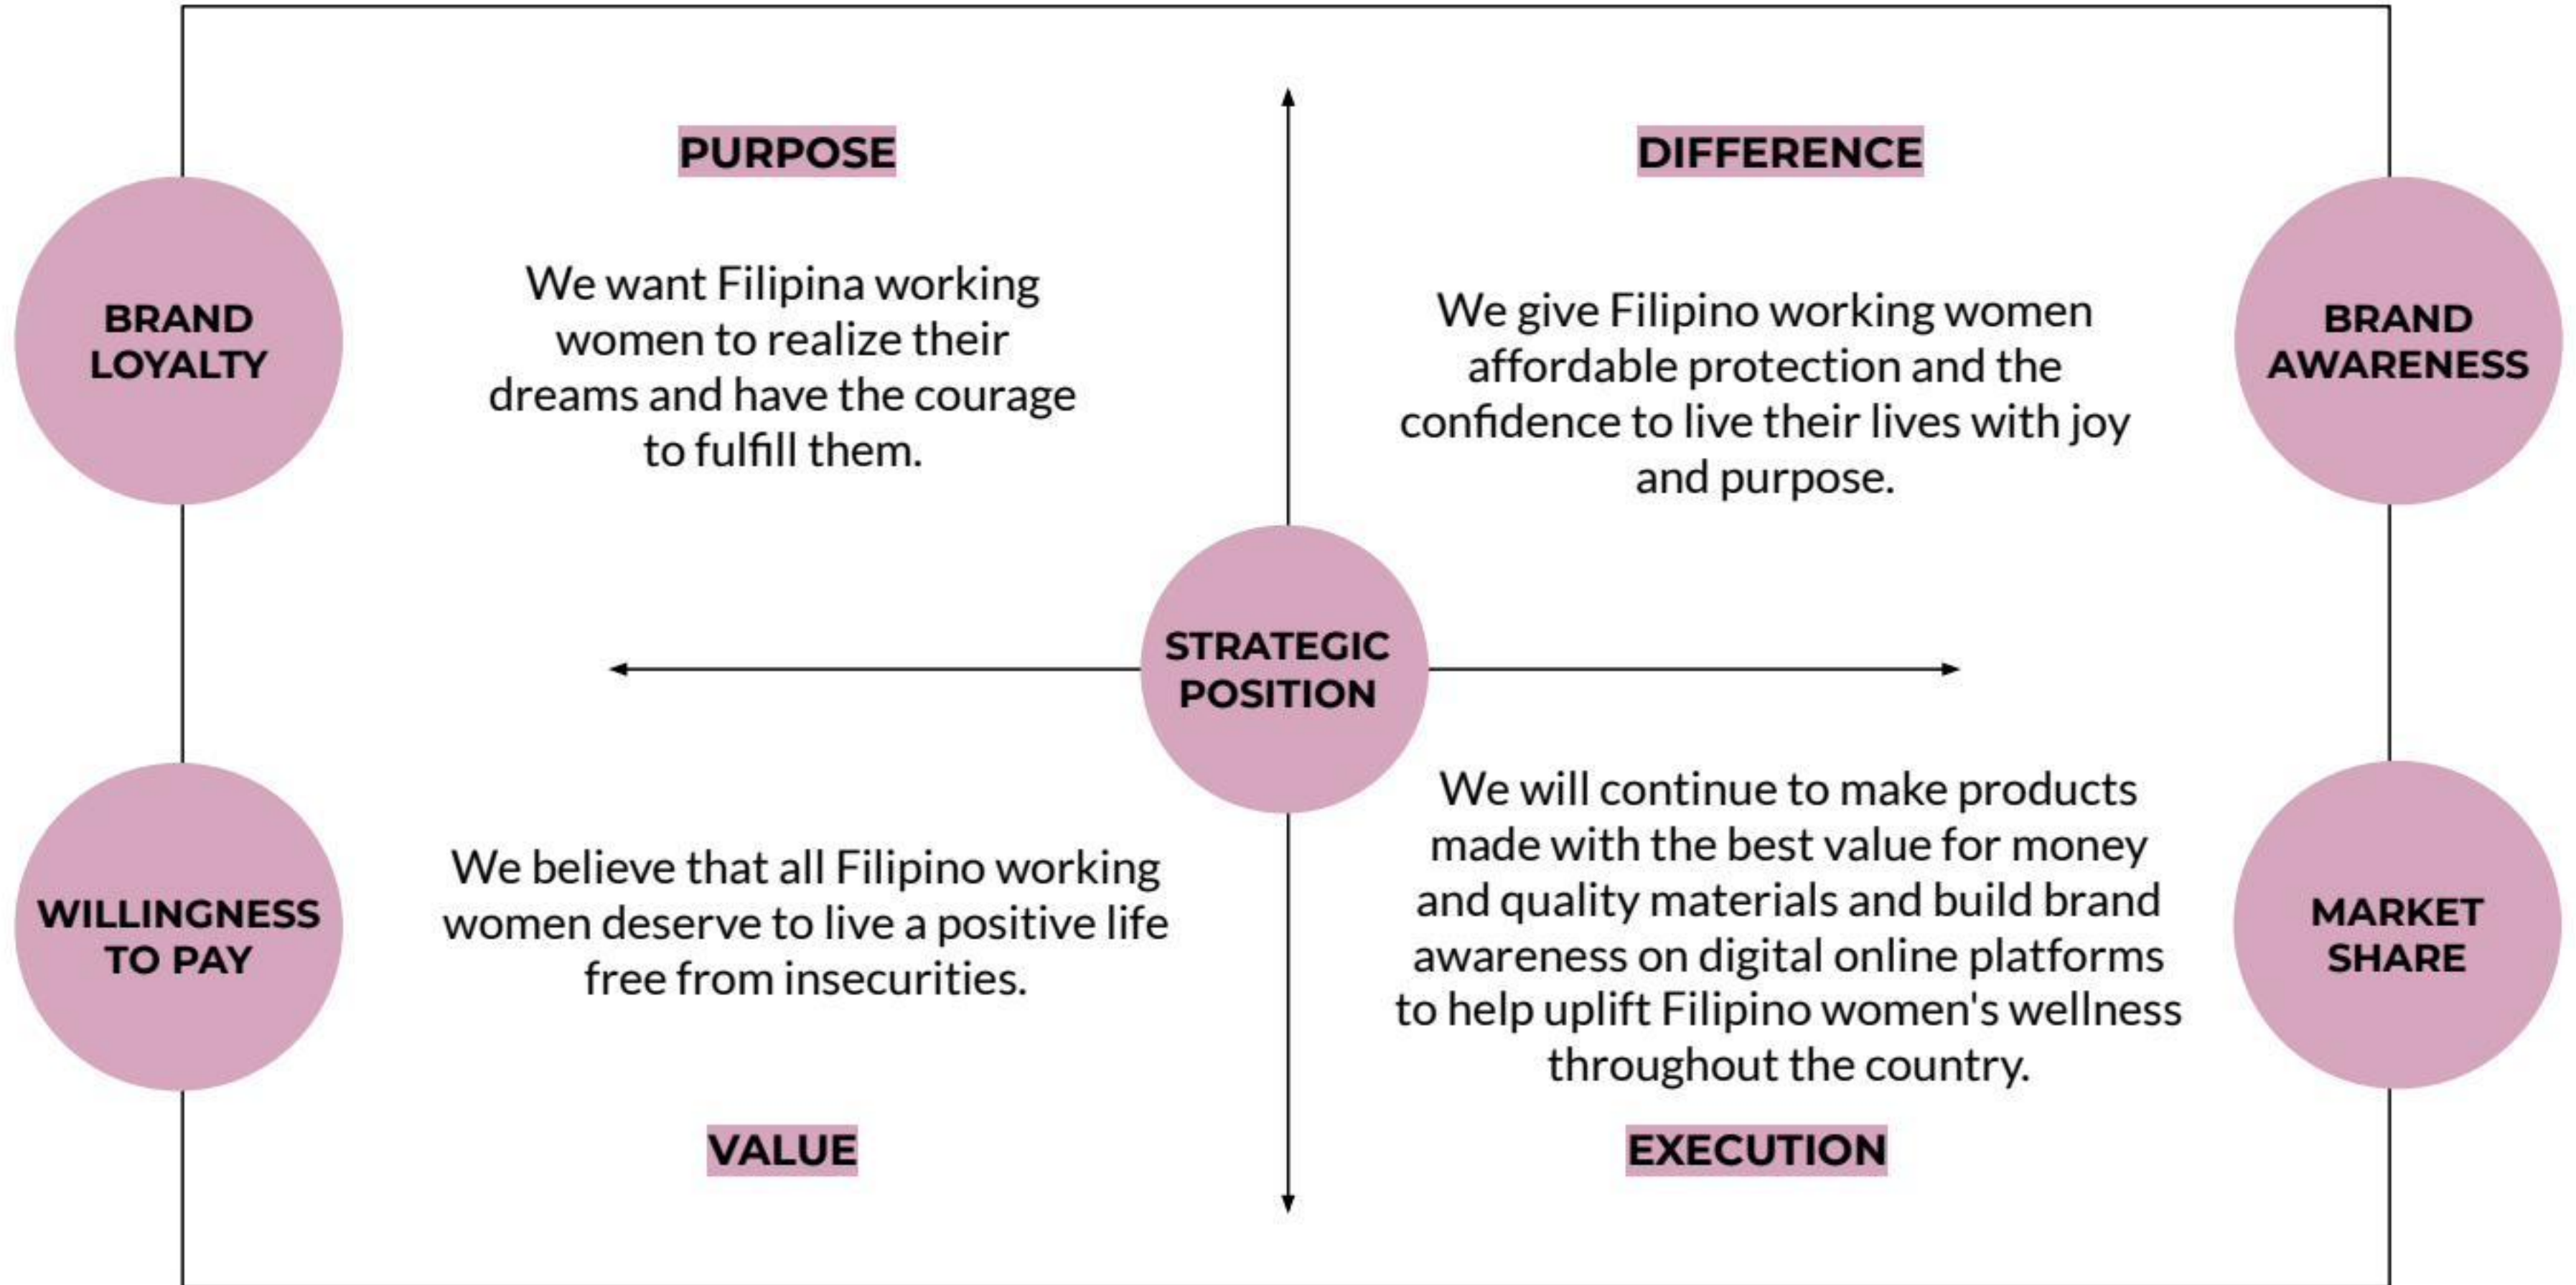

VALUE

What do your customers truly need? Why? What are their emotional drivers? How do you connect to a deeper level?

EXECUTION

How do you demonstrate benefits? How do you consistently enforce your position in the marketplace? How do you ensure an positive customer experience?

BRAND PILLARS
